The Wilmington, DE office of White and Williams has been serving clients in The First State since 1989. From this office, we handle matters throughout the state, litigating in all of Delaware's state courts, including Delaware's nationally recognized Chancery Court, as well as the Federal District Court for Delaware and the United States Bankruptcy Court. The office is conveniently located near I-95 and the Amtrak Northeast Corridor rail line and in the same building that houses the Bankruptcy Court. Based on our extensive experience in the state, we are often called upon to serve as local counsel in litigation of a national scope involving corporate, insurance coverage and other complex commercial and bankruptcy matters.
