

Can Your Business Financially Survive a Cyberattack?

Breach Happens Webisode Series | September 30, 2020

Cyber threats are on the rise, and no type of business is immune to attacks. Even if you think you've covered your bases from network security and commercial insurance perspectives, there is definitely more to do. In short, Breach Happens, and you need to be prepared.

Andrew Lipton, associate in the Financial Lines and Cyber Law and Data Protection Group, joins Cyber Armada's on-demand webisode series "Breach Happens," to discuss how cyber insurance products provide coverage for costs incurred from data breaches.
