

Vaccines in the Workplace: What Every Employer Needs to Know

CIANJ Virtual Event | April 22, 2021 | 10:00 AM

As more people become vaccinated, the return to the workplace is fast becoming a reality. Join Tanya Salgado, Counsel in the Labor and Employment Group, and the Commerce & Industry Association of New Jersey (CIANJ) for a discussion of important human resources concerns and issues surrounding the vaccine and its impact on the workplace.

Topics will include:

- Can and should you mandate the vaccine in your workplace?
- What are the privacy concerns – can you require proof of vaccination from employees?
- How does the vaccine impact your business' travel policy?
- How can you address employee concerns that arise from working with others who have chosen not to receive the vaccine?

Speakers:

- Kenneth Rosenberg, Partner, Fox Rothschild, LLP
- Tanya Salgado, Counsel, White and Williams LLP
- Martin Falkenberg, Senior Vice President – Human Resources, SUEZ North America
