

Tax and Accounting Issues in Mergers and Acquisitions

American Academy of Attorney-CPAs Greater Philadelphia/Delaware Valley Chapter |

Partner Jared Johnson discusses tax and accounting issues in merger and acquisition transactions with the American Academy of Attorney-CPAs' Greater Philadelphia/Delaware Valley Chapter.

The discussion touches upon the tax and accounting issues that arise for an entity and its owners in a significant liquidity event and walks through each of the following phases:

- Going to market
- Letter of Intent
- Due Diligence
- Agreement Drafting
- Post-transaction

This program will be of interest to business owners, CFOs, accountants, return preparers, corporate counsel and transactional attorneys.

More information, including registration, available [here](#).
