

Venture Forward 2012 Conference

The New York Academy of Sciences, New York, NY | June 20, 2012

Venture Forward 2012 will address the dramatic changes occurring in the financing of entrepreneurial ventures by angel investors and venture capital funds. Its speakers are the country's most active angels and VCs. The conference brings angels, super-angels, angel groups, micro-VCs and non-traditional technology investors together to establish an agenda for the new world of early stage financing.

Lori Smith, a Partner in the New York office and member of the Corporate Group, will participate on the panel "Legislation, Regulation and the Legal Framework." Lori's fellow panelists include representatives from Innovation America, the Angel Capital Association and MSNBC.

Topics to be covered include:

- Crowdfunding legislation update
- Regulation and compliance for equity platforms
- Confidentiality
