

White and Williams Represents Financial Technology Company TKS Solutions in Sale to Eze Software

October 23, 2015

TKS Solutions, LLC, a New York-based provider of financial industry accounting tools, signed a definitive agreement to be acquired by Eze Software Group, a provider of global financial technology. Eze Software is a TPG Capital portfolio company. Terms of the deal were not disclosed.

TKS Solutions' award-winning core product, known as Penny It Works[®], adds partnership and shareholder reporting capabilities to the existing portfolio accounting and portfolio management tools in the Eze Software Investment Suite. TKS clients include hedge funds, administrators, asset managers and private equity funds, as well as wealth management platforms. TKS products are used to help manage more than 950 onshore and offshore funds with approximately \$500 billion in assets under management.

White and Williams' multidisciplinary team representing TKS included Lori Smith, John Eagan, Randy Friedberg, Josh Galante and Bridget Henwood.
