

BlackRock to Invest in iCapital Network

December 15, 2016

iCapital Network[®], a financial technology platform that provides individual investors access to private equity funds, hedge funds, and other alternative investments, announced that BlackRock, a global leader in investment management, risk management, and advisory services, will lead iCapital's next funding round. The long-term strategic relationship will help inject capital into iCapital's initiative to develop a digital alternative investments platform.

The iCapital team was led by Lori Smith and Josh Galante and included John Eagan, Ian Doherty, Bridget Henwood and Michael Psathas.
