

Corporate Lawyers Counsel New York Startups

August 15, 2014

Lawyers from the Corporate and Securities Group are providing educational programs and legal advice to a group of startups participating in the Greenhouse Accelerator (GHA). The GHA, located in Union Square in New York, is the premier real estate tech startup accelerator in the country. The GHA provides its companies with seed funding, space and mentorship. It currently houses six companies that range from Pre-seed to Series A financed ventures who are participating in the program from June through September.

White and Williams lawyers Lori Smith, Alexandria Kane, Josh Galante and Adam Masser are providing legal counsel to the companies. In addition, Lori Smith presented "Legal Issues for Startups: What a Founder Needs to Know" on July 31.
