White and Williams has maintained an office in the Lehigh Valley, the third largest metropolitan area in the state, since 1989. From this location, we represent more colleges and universities in education law and employers in workers' compensation than any other firm in the region.

CAPABILITIES

Our Lehigh Valley team handles a variety of matters involving Labor and Employment, Education Law, Healthcare, Workers' Compensation, International Trade Regulation and Immigration and Insurance Defense and Bad Faith Litigation. We also represent clients in General Commercial Litigation.

GEOGRAPHIC FOOTPRINT

The Lehigh Valley Office serves eastern Pennsylvania north of Philadelphia and east of Harrisburg. Our clients primarily reside in Lehigh, Northampton, Berks, Monroe, Carbon, Lackawanna, Luzerne, Pike and Schuylkill counties.

LOCATION DETAIL

Our office is in close proximity to all state and federal courts in northern and central Pennsylvania and allows for easy transportation from Allentown, Bethlehem and Easton. Conveniently located on Route 309 near its intersection with Route 378, our office is easily accessible from the Northeast extension of the Pennsylvania Turnpike from both the Lehigh Valley and Quakertown exits. In 2009, the office was relocated to a new LEED Silver certified building that features "green" capabilities that help cut down water, energy and electric use and waste.
