

## Why White and Williams

### THE PEOPLE

People choose to work at White and Williams LLP because they want to be a part of an ethical, fair and professional work environment. White and Williams strives to recruit and maintain a workforce of highly motivated individuals. Our employees are carefully trained and mentored to succeed. We enjoy a culture of open doors, first names and hard work! Our friendly, flexible and open atmosphere has been enjoyed and supported by our employees throughout the years. We are team players with one common goal – meeting our clients' needs.

We are committed to equal opportunity employment. It is our policy to provide equal opportunity from recruitment through employment and promotion without regard to race, color, religion, age, sex, sexual orientation or preference, national origin, veteran status or disability, consistent with business necessity and safe performance on the job.

### THE RESOURCES

To help our lawyers and our legal staff members support our clients, we support them with eight fully-staffed service departments. The resources we offer include:

- Extensive computer training
- 24x7 technical support
- A top-notch library staff to meet all information needs
- A comprehensive service center handling anything from copying to court runs
- Business development support from an experienced marketing department
- Two shifts of exceptional word processing support
- Ample work space in contemporary office setting

- An experienced accounting department
- A human resources department dedicated to supporting employees
