

2019 Labor and Employment Summer Institute

New Jersey Institute for Continuing Legal Education (New Brunswick, NJ)
7.16.19

This two-day Institute will give attendees a comprehensive overview of labor and employment law. Newly admitted lawyers and seasoned attorneys seeking to expand their practices will benefit from attending, as well as corporate, commercial, civil rights, insurance and workers' compensation lawyers and general practitioners. The conference provides a comprehensive overview of substantive labor and employment law and features practical segments on how to start an L&E practice and handle litigation claims from start to finish.

Labor and Employment partner Jim Anelli will speak on a panel discussing New Jersey Bill S121, which bars provisions in employment contracts that waive rights or remedies and agreements that conceal details relating to discrimination claims.
