

Electronic Information in Criminal Investigations & Proceedings

American Bar Association Webinar
7.8.19

PRACTICE AREAS

Cyber Law and Data Protection

Jay Shapiro, Co-Chair of the Cyber Law and Data Protection Group joins an interactive panel for a discussion on the impact of electronic information in criminal investigations and proceedings. Key takeaways include:

- How courts have addressed the applicability of the Fourth and Fifth Amendments to electronic information
- The duty to preserve and spoliation, including how electronic information has been considered in the contexts of preservation and spoliation
- Sixth Amendment rights of confrontation and effective assistance of counsel
- Conditions of probation
- Cooperation between prosecutors and defense counsel
- Admissibility
