

Coverage College 2018

10.4.18

The 12th Annual White and Williams LLP Coverage College® is coming to the Pennsylvania Convention Center on October 4, 2018. The College provides an opportunity for insurance professionals to engage in a rigorous study of a diverse insurance coverage curriculum. Last year's Coverage College brought together 600 students representing more than 150 companies from 19 states.

This year, students can choose from 12 Masters Classes on a variety of coverage and liability issues. The College also features three General Sessions that will discuss the state of the insurance industry, the ALI Restatement of the Law of Liability Insurance and trends in coverage issues.

Coverage College is approved for CE and CLE credit in various states, including 5 hours of Texas Department of Insurance Continuing Education Credits and 4.5 hours of Pennsylvania Continuing Legal Education Credits.

The College also includes breakfast, lunch, two breaks and a cocktail reception, allowing students to interact and engage with the faculty, fellow students and sponsors throughout the day.

We look forward to seeing you back at school this fall!
