

Cutting-Edge Trends and Developments in Allocation Issues

Perrin Conference for Emerging Insurance Coverage & Allocation Issues
(Philadelphia, PA)
4.11.18

Partner and Co-Chair of the Insurance Coverage and Bad Faith Group, Anthony Miscioscia, co-presents "Cutting-Edge Trends and Developments in Allocation Issues." Anthony will be part of a panel discussing recent insurance allocation decisions of import (including the *Viking Pump* case and subsequent decisions), the different allocation schemes used in various states and how states address the "unavailability of insurance" rule in allocating loss between insurers and the insured.

Designed to enhance the dialogue between all parties affected by insurance coverage litigation, the Emerging Insurance Coverage & Allocation Issues conference will feature a large contingent of leading in-house counsel and insurance company executives representing some of the industry's most iconic brands.
