

Cyber Risk and Cyber Insurance - What You May Know and May Not Know

Association of Corporate Counsel (Westchester/Southern Connecticut Chapter)
1.22.16

PRACTICE AREAS

Cyber Law and Data Protection

Josh Mooney and Jay Shapiro, co-chair's of the Cyber Law and Data Protection Group, present on various cyber risk and cyber insurance issues, including:

- Planning for the breach: identifying sources of risk, establishing data policies and preparing for a data breach
- Sources of legal liability that every in-house counsel should know, including breach notification requirements, class action lawsuits, and the emergence of regulatory enforcement actions
- Whether traditional insurance policies respond to cybersecurity risk
- Whether cybersecurity insurance makes sense and what to look for in coverage
