

Documentation Can Save the Day

Philadelphia Area Society for Healthcare Risk Management (Plymouth Meeting, PA)
6.28.18

Documentation in medical records can dramatically impact medical malpractice litigation. Debbie Weinrich, Partner in the Healthcare Group, will identify common questions about what and how to document in medical records as well as the pitfalls and benefits of documentation in electronic medical records. She will explore how documentation impacts medical malpractice litigation and strategies to improve documentation to better protect your institution.
