

Human Resources Best Practices/Audits

DRI's Employment and Labor Law Seminar (Austin, TX)
4.28.16

Debbie Sandler co-presents "Human Resources Best Practices/Audits" at the DRI's Employment and Labor Law Seminar on April 28, 2016. This session is designed to assist lawyers in providing guidance to their clients on HR issues, particularly those clients who do not have professional HR employees. Topics will include maintaining personnel files, proper classification of employees, maintaining and updating employee handbooks, dealing with FMLA leaves, medical issues and disabilities, and day-to-day management of employees.
