

LIBOR No More: What Now? A Panel Discussion of Industry Leaders

Risk Management Association, Philadelphia Chapter Meeting
7.16.19

PRACTICE AREAS

Finance

LIBOR replacement is coming and touches many aspects of banking. Partner Maulin Vidwans serves on a panel discussing implications, risks and next steps for industry professionals. Topics covered include:

- Customer and Counterparty Education and Engagement
 - How to talk with clients about the transition, including changes to pricing and documentation
- Treasury and Market Risk
 - Interest rate risk management, securities valuation
 - Hedging your customer positions and/or your own balance sheet using appropriate products
- Finance
 - Accounting
 - Stress testing
 - Profitability
- Model Risk
 - Model management and valuation
- Other Risks
 - Legal risks
 - Reputational and conduct risk
 - Operational risk

Panelists:

- John Boyle, Financial Services Advisory (Moderator)
- Maulin Vidwans, White and Williams LLP
- Eric Hiatt, BlackRock
- Bridget Traynor, FRM, Financial Services Advisory
