

Non-Profit Healthcare Organizations: How to Keep Your Property Tax Exemption

Webinar
3.23.22

Across the U.S., many large, non-profit health systems, hospitals, and healthcare providers pay little, if any, property taxes. The long-held property tax exemption is under attack from revenue-hungry tax authorities. Jared Johnson and Bill Kennedy will discuss the changing landscape and strategies to maintain property tax exemptions. The program will cover:

- Background on the Charitable Exemption and Property Tax Exemption
- Threat of revocation
- Avoidable risks for non-profits
- Proactive solutions and steps non-profits should take

This webinar will be held from 12:00 - 12:30 PM EST on Wednesday, March 23, 2022. Register [here](#).
