

Practical ERISA Issues

Webinar
4.21.21

Join Stephen Bowers, Andy Hamelsky and Jim Anelli for an ERISA program that will provide an update and review of significant issues surrounding ERISA plans, relevant for plan sponsors and others who deal with such plans.

The program will focus on three areas:

1. **Subrogation Issues Involving Self-Insured Healthcare Plans**, including issues relevant both to plan sponsors and to personal injury attorneys representing individuals covered by such plans;
2. **A Litigation Review of Significant 2020 and 2021 ERISA Cases**, including benefit claims cases and several issues decided by the Supreme Court;
3. **ERISA Issues Arising in Corporate Transactions**, including multiemployer plan issues and transition of benefits.
