

## Site UnScene: Strategies for Claims Investigations with Challenging Site Requirements or Limited Evidence

Subrogation Social (Waltham, MA)  
5.30.19

### PRACTICE AREAS

Subrogation

Associate Shannon Warren presents at this interactive discussion between experts and counsel on what transpires during a site investigation. Topics include:

- Subrogation potential when critical evidence is gone: tactics for gathering evidence and witness statements to salvage your case
- Management of challenging site inspections: effective protocols for large multi-party exams, navigating scenes with safety hazards and limited access
- The pros and cons of having subrogation counsel attend scene inspections
