

Workers' Compensation Seminar

Brookside Country Club, Macungie, PA
9.24.15

Presenters will review recent legal developments and trends that impact employers and the workers' compensation claim professional's claims handling. In addition to our legal panel, presenters will include a member of the Pennsylvania House of Representatives, a board-certified orthopedic surgeon, and a former Pennsylvania Workers' Compensation Judge.

Employers and Claims Professionals at all levels of experience and authority will not want to miss this program!

Topics Will Include:

- Legislative Update
- Anatomy and Pathology of the Spine
- Case Law Update
- Insights from a Former Judge
