Bux-Mont Human Resources Association

The FMLA has been in effect for over 25 years now and it is still misunderstood and misapplied. Administering the FMLA and all of its loopholes has almost become a full-time job itself. Lawsuits under the FMLA are on the rise, making the understanding of the law even more important. In this session, Labor and Employment Counsel Jeff Stewart will explore the FMLA (including some of those infamous "loopholes") through a series of scenarios that will test attendees knowledge of this often despised law. Can you outscore your HR colleagues?
