1.24.22

Nancy Conrad, Managing Partner of the Lehigh Valley office and Chair of the Higher Education Group, and John Baker, Counsel in the Lehigh Valley office, will both serve in the leadership of the Bar Association of Lehigh County (BALC). Nancy is President-Elect for 2022 and will serve as President in 2023, while John has been elected as a member of the Board of Directors.

Since the turn of the century, the BALC has provided service and assistance to the area's lawyers and the community. The association was officially chartered in 1905 "to advance the science of jurisprudence and the administration of justice, to encourage a thorough legal education, to uphold the honor and dignity of the bar, to cultivate social and professional association among its members, to assist the courts in the orderly and efficient administration of justice and to perpetuate the history of the profession and the memory of its members within this judicial district."

Nancy has decades of experience representing businesses, educational institutions and non-profit organizations in all aspects of workplace disputes. She is highly active in the legal and professional communities, including years of service to the Pennsylvania Bar Association. Most recently, in 2021 and in conjunction with her positions as PBA Woman Governor and Chair of the PBA Diversity Equity and Inclusion Team, Nancy was recognized with the PBA President's Award for her leadership with the PBA Diversity, Equity and Inclusion Team in recognition of the diversity initiatives she advanced, the programs she coordinated, and the engagement she fostered among the bar on diversity related issues.

John is a past recipient of the bar association's prestigious "Presidential Legal Eagle Award," recognizing his long service to the BALC. John has more than 30 years of experience in labor-management relations and has been responsible for enhancing the legal well-being of the firm's labor clients. He is an active member of the American Bar Association and Pennsylvania Bar Association, where he serves on the Disability Services, Lawyers' Assistance, and Children's Rights Committees.
